Dear Ing. Giuseppe Rotunno, President of Comitato per una Civiltà dell'Amore,
Dear Speakers and Participants,

The ecumenical European network *Together for Europe* sends heartfelt greetings to the **CONFERENCE on NUCLEAR PEACE AND ENVIRONMENTAL CHALLENGES IN EUROPE as CHRISTIANS** taking place today, May 8 in Vatican City.

Your conference underlines how important it is that Christians speak together for a change in mentality, and search for solutions to global problems that concern us deeply, in this instance nuclear arms and the environment.

Our network supports your efforts to implement the basic values of Christianity and find concrete answers to such challenges. We wish you every success and assure you of our prayers.

On behalf of the network **Together for Europe**,
